

Cable Hive (127mm Cut Out)

The 26 Series cable Hive is suitable for raised floor applications. The 26 Series cable Hives are designed for use in commercial environments and provide an efficient fast-fit on site installation and ease of access to power and data services that are contained within or pass through a raised floor.

Features include:

- Push down, tool free fixing mechanism.
- Grey RAL7031 lid and trim V0 rated PC/ABS.
- Integral carpet gripper spikes pre-fitted to the trim.
- Split lid with soft foam inserts.
- Self-closing lifting handles.
- Low profile surround.
- Can accommodate multiple metal conduits (see table).
- Recommended for installation in light traffic areas.
